

## Rockerville Cemetery

Pennington County, South Dakota

This cemetery lies to the north and east of the town of Rockerville. It is across the Rushmore Highway (16)- the first exit to the left as you leave the hills and the cemetery lies on a gently sloping area which is fenced. It is still in use and the Rockerville Community is in the process of renovating the fence and the tombstone. (1873) This cemetery was read August 1973 by Wayne and Ramona Wickenkamp.
