

Snoma Cemetery

NW1/4 N ¼ Sec 30, T8N, R4E, Butte County, South Dakota

This isolated and nearly abandoned cemetery was founded in 1887. It is located 7 miles north of St. Onge. It is well fenced and is about 1 acre in size. There are at least 6 totally unmarked graves. It is known locally as "The Old Finnish Cemetery" and some stones are marked in the Finnish language. This is a compilation of two readings of this cemetery, the most recent one done in 1973 by Kermit and Beryl Stell of Sturgis.
